

We're on the move to a new home!

Our showroom for the past 22 years is now closed as we prepare for our move to a new showroom environment over the next few weeks. The move and the subsequent set-up are going to take us a bit of time as we transform our new showroom into a beautiful home for the next era at Cocoon.

In the meantime, the business is still active to serve you.

The Next Era

Over the next few weeks, we will be doing some reveals on the progress of our new showroom and some of the exciting new products coming soon to Cocoon.

One of the things we are most excited about is the new environment we are creating at the Shops at Sherwood Village.

We have designed a curated home furnishings experience on one side with both leading furniture lines mixed in with our own custom furniture line, *CASE by Cocoon*. On the other side we have a resource centre for design creation with a collection of leading fabric lines, a beautifully presented Visual Comfort lighting boutique, an extensive area rug program display, and a well stocked bedding department. All the components come together to help create impressive and unique furnishings solutions.

As we mentioned, this process is going to take a few weeks so please bear with us as we make this transformation. We will reach out to you very soon when the showroom is ready!!

Yours in design, The Cocoon Team
